

*Handwritten:* 115, 385858

Received of General Telephone Company of Illinois, \$178.21, in consideration of which the undersigned hereby grant unto said Company, its successors and assigns the right, privilege, easement and authority to construct, operate, patrol and maintain its communication lines including the necessary underground cables, wires, conduits, splicing boxes, surface terminals, markers and appurtenances upon, over and across the land hereinafter specifically described, to form a part of a communication system to be owned and operated by the said Company, its successors and assigns, extending from the lands owned by the said Company and the structures thereon in Livingston County, Illinois, to other lands and structures located beyond the lands hereinafter described, and upon, along, under and across the roads, streets, or highways on or adjoining said land hereinafter described, together with the right of access to the said land, with the right to permit the attachment of the wires of any other Company and the right to trim now and hereafter all brush and trees along the said lines as may be necessary for the installation, operation and maintenance of said lines. The property of the undersigned over which this grant is given and the location of the line of lines to be constructed thereon are described as follows: A part of the South  $\frac{1}{2}$  of the Southwest  $\frac{1}{4}$  of Section 21, Township 28 North, Range 5 East, more specifically the 2nd Addition to Rittenhouse Industrial Park Subdivision.

The buried cable to be placed within a 10-foot easement north of and adjacent to a line 30 feet north of the existing right-of-way line of Illinois Route 116 as shown on attached plat, which is made a part of this permit.

This permit is granted with the provision that General Telephone Company of Illinois will pay for actual crop damage at an average production per acre in the area; based upon the kind of crop at the current sealed or market price at the time of damage.

This permit is granted with the provision that General Telephone Company of Illinois shall be responsible for tile damage and will arrange to repair or have them repaired to the owners satisfaction.

The property owner shall not be liable to General Telephone Company of Illinois for damage to said facilities due to installation, operation or maintenance of any present or future facilities of the property owner on the property covered by this permit.
